The diagram illustrates the relationship between the boot sector and BIOS parameter blocks. At the bottom center is a gray box labeled `_BOOT_SECTOR`. Two dashed purple arrows originate from this box. The left arrow, labeled `Bpb`, points to a white box labeled `_BIOS_PARAMATER_BLOCK` at the top left. The right arrow, labeled `BpbExt`, points to a white box labeled `_BIOS_PARAMATER_BLOCK_EXT` at the top right.
