

Experimental Edition
/Library/common.h

```
graph TD; A["Experimental Edition /Library/common.h"] --> B["system.h"]; A --> C["stdint-gcc.h"];
```

The diagram illustrates a dependency or inheritance relationship. At the top, a grey rectangular box contains the text "Experimental Edition" and "/Library/common.h". Two blue arrows originate from the bottom of this box. The left arrow points to a white rectangular box labeled "system.h". The right arrow points to a white rectangular box labeled "stdint-gcc.h".

system.h

stdint-gcc.h
